

Vent-Free Comfort Series

Cozy Fire is dual certified for vent-free and vented operation. Cozy Fire is available in 24" and 30" sizes with manually operated safety pilot or on/off remote ready system, for both natural gas and liquid propane applications. Hargrove's intricately detailed charred oak logs and deluxe full ember bed burner system provide top of the line vent free quality.

- Large area of glowing embers
- Decorative char chunks and pinecone
- Vent-free or vented operation
- Natural gas and liquid propane applications
